

Huntingdon, June 22nd 2023

To residents of the streets: Ringuette, Picard, Cunningham, Daniel-Galipeau, Saumier, Girard, Grégoire, Clyde, Maple, Bonneville, Somerville, Prince and Châteauguay

**Object: Town of Huntingdon – Garbage collection, recycling and composting  
For one-way streets and dead ends**

---

Madam,  
Sir,

Collections are done using a robotic truck. The articulated arm that grips your bin is located on the right side of the truck. It is for this reason that we ask you to position your bin on one side of the street only, which is on the right side so that the collection is carried out correctly.

For any questions regarding the collection of residual materials, you can contact us directly at City Hall by calling 450-264-5389.

Receive, Madam, Sir, our best regards.

Mrs Johanne Hébert  
Executive Director  
Town of Huntingdon
